a. b. c. d. e. f.

1. Take all components out of the packaging and place bath seat main frame upside down on a level surface with the aluminum components facing upwards. Ensure all packaging material is removed

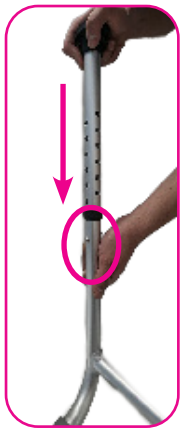

2. On each side attach the side frame onto the main body. You should hear a "click" once the push button is fully engaged.

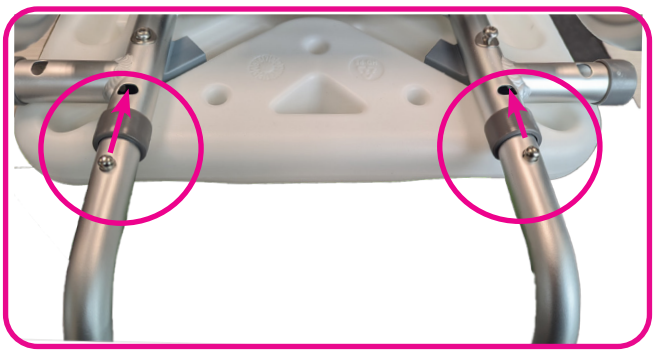

PLEASE NOTE: For all push buttons, you should hear a "click" once the push button is fully engaged. Do not use until the push button is fully engaged.

3. Depress the push button on each leg to insert onto the side frame. You should hear a "click" once the push button is fully engaged. Repeat until all four legs are on and ensure all four legs are set on the same height adjustment hole.

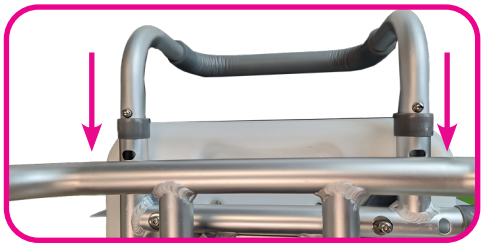

4. Depress the push buttons on backrest, and insert into the backrest receivers located on the bottom of the seat platform. Ensure push buttons are fully engaged and check by pulling upward on the plastic backrest.

5. Locate the arm receivers on each side of the frame and depress the push button to insert 1x arm on each side.

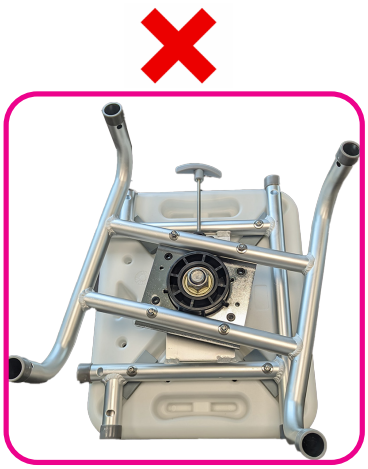

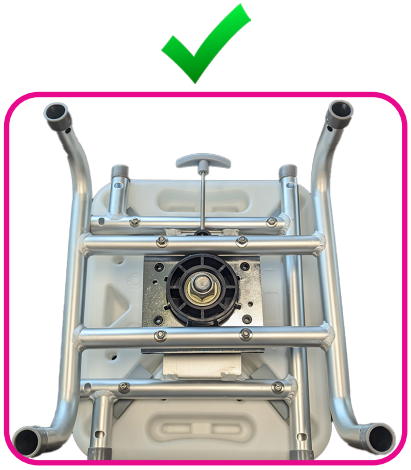

6. Stand the unit upright. Use the push buttons on the legs to set the desired height.

NOTE: ALL LEGS MUST BE SET TO THE SAME HEIGHT

7. To engage the swivel mechanism, pull the lever away from the chair. Once the mechanism is engaged, let go of the lever to allow you to pivot 360 degrees in 90 degree increments. Exercise caution when engaging the swivel mechanism due to potential pinch points.

NOTE: Ensure the swivel seat is in the locked position before attempting to get up from the seat

360° swivel rotation

CAUTION

Pinch Point

Keep hands and fingers clear after engaging the swivel mechanism.

Warning: Failure to follow safety instruction may cause serious personal injury.

8. Push the black knob straight in to engage the chair's sliding function. Slide the chair along the horizontal rails until it locks into place.

9.

Optional: Attach shower head holder to the leg of the unit to allow for quick access to your shower head
